Modern new build off plan villas for sale in ASPE WITH SWIMMING POOL, Alicante -

Alicante - CASAS IN LA ROMANA S:L are constructing luxury Villas in ASPE Costa Blanca South we are pleased to bring on to the market this 3 bedroom new build villa in ASPE ALICANTE COSTA BLANCA

The Villas are Independent modern villas on 400m2 and there are larger plots available.

The Village holds many cultural activities during the year maintaining the traditional cultures of the area.

Elche is just 15 minutes drive and Alicante Airport and Beaches are 30 minutes away so a great location

The Villas will include many extras as standard, pre-installed ducted air conditioning and hot air for the winter months. Private pool with terracing and a low maintenance garden with off-road parking with electric entrance gate and external stairs leading to the top roof solarium, where there are amazing views to the mountains and surrounding area. The solarium is fabulous for relaxing to get the benefit of the winter sun and watch the amazing sunsets that we have here setting behind the mountains in La Romana.

This Villa can also be constructed in Aspe in a very desirable area also

You can choose the Tiles and Kitchen style for Aspe Villas

Special limited offer: white goods included in the kitchen,

Build Time 8 months Flexible Payment terms available.
